

The Global Pharma Equipment has successfully **13** Years of its Business journey The Global Pharma started manufacturing Pharmaceutical Clean room Equipment and Machinery serving to all the leading pharmaceutical company .

Rapid Mixer Granulator

Salient Features:

- Model 3 Ltr. To 800 Ltr.

-
-
-
-
-

LAB MODEL

Fluid Bed Dryer

Salient Features :

-
-
-
-
-
-

LAB MODEL

Multi Mill

Salient Features :

- Model 1hp, 3 hp, 5 hp, 7.5 hp.
- Multi speed drive for various product grinding.
- Easy dismantling and cleaning.
- Easy portability.

Vibro Shifter

Salient Features:

- Model 12" / 20" / 24" / 30" / 36" / 48".
- Output 30 kg to 300 kg/hr .
- Easy dismantle & cleaning .
- Double decker arrangement can be provided.

Octagonal Blender

- Model – 15 ltrs to 4000 ltrs.
- Less energy consumption compared to the blenders.
- Rectangular opening lid with
- available.
- Suitable control panel with timer.

Tray Dryer

- Model–6 tray /12tray /24 tray /36 tray /48 tray /96 tray.
- Steam heater & electric heater.
- Double wall construction.
-
-

Coating Pan

- Model -12"/18"/24"/30"/36"/48".
- Sanitary design of pan.
- Spraying system with peristaltic pump & solution tank (optional).
- Quick dismantle & adjustment of spray gun (optional).
- Adjustment angle of pan.

Isolator

- Mockup supplied for ergonomics.
- Used for Low OEL processing of cytotoxic, potent and toxic (acute or chronic) hazards.
- CIP and WIP design into an isolator with validated cycles.
- Aseptic-Containment applications where positive pressure and revert to a negative pressure environment to protect the facility.
- Automatic pressure testing with startup of the isolator or every 21 hours.

STORAGE TANK

Salient Features:

- Model -25 ltr to 10,000 ltr.
- Storage material chemical, oil, cream, water.
- Contact part - SS304/SS316.
- Usage application - pharma and chemical industry.
- Vertical and Horizontal type storage tank.
- Customised design as per room layout.

LAB MODEL

in manufacturing, supplying, and exporting a wide range of Pharmaceutical Clean room Equipment and Machinery in the Global Market with developed services network successfully all over the world.
